ENDURING

quality Accoya® siding and decking,
windows and doors, for years to come

Manufactured by

Accoya® and the Trimarque Device are registered trademarks owned by Titan Wood Limited, a wholly owned subsidiary of Accsys Technologies PLC, and may not be used or reproduced without written permission. Accoya wood should always be installed and used in accordance with the written instructions and guidelines of Accsys Technologies and/or its agents (available upon request). Accsys Technologies accepts no liability for any defect, damage or loss that may occur where such written instructions and guidelines are not adhered to.

ACCOYA®

delivers quality that lasts

Accoya turns everything you know about wood on its head.

Through a revolutionary scientific process called acetylation, it modifies wood to give it properties that exceed hardwoods, and other materials such as PVC and aluminum.

Here are some of the benefits of Accoya wood:

Performance

Accoya brings unprecedented reliability for timber; it is checked and trusted not to visibly swell, shrink or distort, with minimal movement. Highly durable, it withstands the test of any climate and is a highly rot resistant wood. And what's more, it stays that way – a 50 year above ground, and 25 year below ground and freshwater warranty are testament to the fact that you can expect to enjoy your Accoya wood for many decades to come.

-  50 YEAR WARRANTY
-  25 YEAR WARRANTY
-  HIGHLY DURABLE
-  HIGHLY STABLE
-  LONG SERVICE LIFE
-  NATURALLY INSULATING
-  INSECT RESISTANT

Finish

Finish sums up many of the reasons architects and manufacturers love working with Accoya – coatings look brilliant and last longer, and its easy and hassle free care save time and money in the long-term. It also offers huge design freedom, with the ability to create a multitude of textural finishes such as smooth, charred and brushed, plus customizable size and finish options for endless creativity.

-  IDEAL FOR COATING
-  VERY LOW MAINTENANCE
-  MULTIPLE FINISHES
-  CUSTOM SIZE

Sustainability

Accoya is a natural wood product sourced from sustainably managed FSC® certified forests. With no plastic, resin or other harmful additives Accoya is 100% non toxic, making it the ideal environmental choice.

-  SUSTAINABLY SOURCED
-  LOW ENVIRONMENTAL IMPACT
-  NON TOXIC
-  WORLDWIDE ACCREDITATIONS

About us

Hewn provides sealed or architectural prefinished Accoya for interior and exterior applications. We offer Accoya as exterior siding, interior wall cladding, exterior wood box beams, trellis components, and exterior decking. Accoya by Hewn is available in various textures, Yakisugi/Shou Sugi Ban, standard finishes, and finishes to match your design palette. Accoya by Hewn is available in standard cladding profiles or custom profiles to meet your specific needs.

Our sales team works directly with architects, builders, and designers to achieve the project's aesthetics and design intent. Hewn succeeds in customer service, meeting lead times and production of quality products that we stand behind 100%.
